

Beccles u3a - Policy on attendance by non-members

1. Prospective members of u3a may attend 2 monthly meetings as guests upon paying a visitor's fee of £2.00, after which they will be expected to join.
2. Prospective members of a group who are already members of Beccles u3a may attend 2 sessions without charge before formally joining the group if there are vacancies. Thereafter, membership of the group should be formalised the normal contribution (if any) paid. The convenor may, at his/her discretion, ask for a contribution if the meeting incurs significant expense.
3. Prospective members of a group who are not members of Beccles u3a may attend 2 sessions without charge before being required to formally join u3a and the group. The convenor may, at his/her discretion, ask for a contribution if the meeting incurs significant expense.
4. Trips and Outings are only open to members of u3a. Existing rules are in place to cover situations where a member needs to be accompanied by a carer who need not be a member.
5. The committee may allow a variation to these rules in exceptional circumstances.
